

CURRICULUM VITAE

SAMER ALATOUT

1450 Linden Drive
Agriculture Hall, 350
Department of Community and Environmental Sociology
Madison, WI 53706
608-263-0970
snalatout@wisc.edu

FORMAL EDUCATION

- 2003 Ph.D., Science and Technology Studies, Cornell University
Dissertation: *Imagining hydrological boundaries, constructing the nation-state: a 'fluid' history of Israel, 1936-1959*
- 1992 BBA, Statistics and Computer Information Systems, City University of New York,
Magna Cum Laude

POSITIONS HELD

- 2015-present Director, Holtz Center for Science and Technology Studies (elected position)
- 2014-2016 Vilas Associate Professor of International Environmental Issues and Global Security, Department of Community and Environmental Sociology and the Nelson Institute for Environmental Studies, University of Wisconsin
- 2011- Associate Professor of International Environmental Issues and Global Security, Department of Community and Environmental Sociology, UW-Madison
- 2011- Associate Professor of International Environmental Issues and Global Security, The Gaylord Nelson Institute for Environmental Studies, UW-Madison
- 2003-2011 Assistant Professor of International Environmental Issues and Global Security, Department of Community and Environmental Sociology, UW-Madison
- 2003-2011 Assistant Professor of International Environmental Issues and Global Security, The Gaylord Nelson Institute for Environmental Studies, UW-Madison
- 2008- Affiliate Faculty, Department of Geography, UW-Madison
- 2002-2003 Post-Doctoral Fellow, Departments of Government and Geography, Dartmouth College
- 2001-2002 Visiting Assistant Professor, Department of Near Eastern Studies, Cornell University

SPECIAL HONORS AND AWARDS

- Dec 2018 PI—NSF Program on Science, Technology, and Society, three-year project on International Rivers and the Anthropocene, \$250,000 (submitted)
- Dec 2017 PI—National Endowment for the Humanities. Three year project, *Hydrologies of the Anthropocene*, \$240,000 (submitted)
- Jan 2018-
Dec 2020 PI—Humanities Without Walls, Living in a Changing Climate, Project Title: Hydrologies of the Anthropocene: Social Flows and Engineered Watersheds in The Great Lakes Basin, \$138,360 (granted, December 2017)
- 2017 Fall 2017 Honored Instructure (student-initiated honor)
- 2016-2018 Co-PI (with Rachel Havrelock, UIC, and Stephen Gasteyer, MSU), “A Comparative Study of the Great Lakes and the Jordan Valley: Articulating Water Needs, the Right to Water, and Water Sovereignty in the Quest for Water Justice,” a project funded by the Humanities without Walls Consortium (\$100,000).
- 2014-2016 Vilas Associate Professor 2014-2016 (\$25,000)
- 2013 Blended Learning Scholarship (\$4000)
- 2013 Internationalization of the curriculum (\$9,800)
- 2013 Teaching Academy Summer Institute
- 2009 Fellow, the National Endowment for the Humanities Summer Institute on “Nature and History at the Nation’s Edge: Field Institute in Environmental and Borderlands History” at the University of Arizona, Tucson, June 14 – July 11, 2009.
- 2009-2010 Vilas Life Cycle Professor, Project Title: *Environment and Political Order within Border Zones, US/Mexico and Palestine/Israel*, \$16, 700. ^
- 2007-2009 PI, “The Menominee Nation of Wisconsin, Tribal Sovereignty, and Environmental Governance,” \$69,259. Funded by a USDA Hatch Grant.
PI, “The co-production of ecological and political orders along the border, US/Mexico.”
- 2006-
2006 Co-PI, “Global Environmental Health and Security,” NSF IGERT, \$3.5 Million.
“Comparative study of water laws in Israel, Palestine, and Jordan,” Global Legal Studies initiative, \$2,000. Middle East Studies Program, Travel Funds, \$550. ^
- 2005-2006 Co-PI (with Leila Harris), “Comparative Securities of Water in the Middle East.” Global Studies. Amount: \$3,000. ^
- Summer 2005 “Environmental Narratives in Palestine and Israel.” Middle East Studies Program. Amount: \$2,500. ^
- 2004-2007 Clark A. Miller, Samer Alatout, Steve Carpenter, Jon Foley, Leila Harris, Tracey Holloway, Marty Kanarek, Nancy Mathews, Gregg Mitman, Javier Nieto, Chris Olson, and Jeremi Suri, “New Research Initiative in Global Environmental Studies: Environment, Health, Security, and Well-being.” UW-Madison International Institute. Amount: \$40,000. Award Period: July 1, 2004-June 30, 2007. ^

- Summer 2004 International Institute Faculty Development Grants for research on Technologies of Order: Walls, Borders, and the Politics of Identity, \$ 4,200. ^
- 2003-2004 Postdoctoral Fellowship, Geography and Government, Dartmouth College
- 1999-2000 Peace Studies-MacArthur Foundation Teaching Fellowship
- 1997-1998 Peace Studies-MacArthur Foundation Fellowship on Technology and Security
- 1997 Research Grant, Mario Einaudi Center for International Stud., Cornell University
- 1997 Research Grant, International Studies in Planning, Cornell University
- 1996-7 Fulbright Graduate Study and Research Abroad Fellowship, Israel
- 1995 Research and Training Grant, Science and Technology Studies, Cornell University
- 1994 Barthes Fellowship, Cornell University
- Summer 1994 Research Grant, Mario Einaudi Center for International Stud., Cornell University
- 1994 Research Fellowship, International Political Economy Prog., Cornell University
- 1991 Provost Fellowship, City university of New York,
- 1994-1996 IGERT Fellow, Science and Technology Studies, Cornell University

Marketization, and Participation. New York: Routledge.

Alatout, S. 2014. From River to Border: The Jordan Between Empire and Nation-State. In Daniel Kleinman and Kelly Moore (eds.), *Routledge Handbook of Science, Technology, and Society*. New York: Routledge.

EDITED VOLUMES & SPECIAL ISSUES

Co-editor (with Jessica Barnes) of special issue of *Social Studies of Science on Water Worlds*. Expected publication date late-2011 or early-2012.

WORKS IN PROGRESS

Books:

Water history and politics in historic Palestine: from Empire to Globalization, 1750-2009

Articles:

Rethinking neoliberalization as a framework of government: territorializing and populating water resource politics.

From border to borderland: La Paz Agreement and the two-hundred kilometers that redefined race, environment, and nation along the US/Mexico border.

LIST OF INVITED PRESENTATIONS (in reverse chronological order)

2018

Social Science Research Council (SSRC), Headquarters, Brooklyn, NY, “Bodies of Water,” April 27, 2018.

2017

Hollings Center for International Dialogue, Alakhawayn University, Morocco, “*The Food Security Factor: Stability, Governance and Development Choices*,” Casablanca, Morocco from September 27 to October 1, 2017 (Declined)

Center for Contemporary Arab Studies, Georgetown University, Washington, DC, “Food, Agriculture, Water, and Environment in the Middle East and North Africa,” August 9 – August 11, 2017.

Max Plank Institute, Berlin, Germany, “Estimated Truths,” Berlin, Germany, August 16-17, 2017.

2015

University of Lund, Sweden. May 18-22.

University of California, San Diego. April 6.

Cambridge University, Cambridge, UK. March 16-18.

MIT, Cambridge, MA. February 23.

2014

Yale University, New Haven. November 14, Agrarian Studies Seminar.

Rice University. October 2.

University of California, Berkeley. Human Rights to Water in Palestine, or the Government of Self and Other.

2013

University of California, Berkeley. From River to Border: The Jordan between Empire and nation-state, November 6, Colloquium in the Department of Geography

Middlebury College. Water and human rights in Palestine.

2012

University of Arizona, school of Geography. The multiple ontologies and politics of water in Palestine and Israel.

2011

University of Wisconsin, Madison, From River to Border: The Jordan River and the political imaginary of colonial bureaucracies. CHE colloquium, January 26, 2011.

2010

University of California, Berkeley, “Water Multiple in Israeli Politics.” Paper submitted for the Berkeley Workshop on Environmental Politics. November 12, 2010.

University of Arizona, Tucson, “From Border to Borderland: La Paz Agreement and the 200 Kilometers that redefined race, environment, and nation along the US/Mexico border. September 12, 2010.

University of Wisconsin, Madison, discussant and chair for a panel on Gendered Violence in War Zones, workshop New Perspectives on Gender and Human Security, Madison, March 19.

Arizona State University, Phoenix, AZ, The Politics of Science and Technology in Comparative and Global Perspectives, April 25-26

Butler University, Indianapolis, Indiana, The Future of Jerusalem, February 23-24.

2009

Opening paper for a workshop on Arizona, Israeli, and Palestinian Water Management and Policy Workshop: Economic, Environmental, and Community Implications of Expanding Reuse and Desalination for Future Water Supplies. **The University of Arizona**, Tucson, August 31-September 2, Tucson, AZ.

Fellow, **National Endowment for the Humanities** Summer Institute: Nature and History at the Nation's Edge: Field Institute in Environmental and Borderland History. June 14-July 11, Tucson, AZ.

Water workshop at **Harvard University**, May 2009 (declined because of conflict).

2008

Water from absolute to economic scarcity: Israeli water policymaking and the construction of neoliberal subjects, paper presented at workshop on "interdisciplinary Perspectives on water and society in world perspective" at **Harvard University**, May 9-10, 2008.

Negotiating scales, forging states: scalar constructions of water resources and state building in the Upper Tigris/Euphrates and Jordan River basins, (co-authored) paper presented at workshop on "interdisciplinary Perspectives on water and society in world perspective" at **Harvard University**, May 9-10, 2008.

2006

First Annual **Tel Aviv University** Workshop on the Arab-Israeli Conflict, Tel Aviv, June 18-29.

Water in context and in text: military orders and the construction and articulation of populations and territories, paper presented at the West Bank Project meeting at **Columbia University**, April 28, 2006.

Water security and the environment: towards the study of environmental in/security, paper presented at a workshop on "change in the Middle East" at the **University of Wisconsin, Madison** March 26, 2006.

Water Security and the Environment: Cultural Studies of Water and Environmental Insecurity. paper presented for the center of World Affairs and the Global Economy at the **University of Wisconsin, Madison** March 29, 2006.

2005

States and In/Security: Water, Territory, and Population in the Making of Israel, presented at **MIT**, Cambridge, MA.

2004

Power and Environmental Narratives in Palestine and Israel, presented for a workshop on *Environmental Narratives in Palestine and Israel*, December 5-9, 2004.

From Water Abundance to Scarcity and Back: Constructing Jewish Subjectivity in Palestine, Israel and the World, presented at the American Association of Geographers annual meeting, March 17, 2004.

Water and the Israeli Politics of Identity, presented for the Center for Sustainability and the Global Environment at the University of Wisconsin, Madison, January 21, 2004.

Building the National Water Carrier in Israel: Water, Knowledge and Power, presented at **Virginian Institute of Technology**, Blacksburg, VA, 15 March, 2004.

“Rethinking Environmental Activism in Palestine and Israel,” presented at **Brown University**, 17 February, 2004.

2003

Technologies of Order: walls, borders and the politics of identity in Israel and Palestine, presented at *STS in the World* workshop held at **Cornell University**, September 24-26, Ithaca, NY.

Shared Environment? Myths in Israeli Environmental Discourse, presented at the Middle East Futures Workshop at **Brown University**, July 18-26, 2003, Providence, RI.

LIST OF CONFERENCE/WORKSHOP PRESENTATIONS

2010

Co-organizer, Panel on Water Scarcity, Techno-science, and Politics in the Jordan River Watershed, bi-annual meeting of the International Water History Association, Delft, the Netherlands, June 16-19.

Presenter, Water from absolute to economic scarcity: Israeli water policymaking and the construction of neoliberal subjects, annual meeting of the International Water History Association, Delft, the Netherlands, June 16-19.

Presenter, From River to Border: The Political History of the Jordan River, 1914-1948, American Society for Environmental History, Portland, OR, March 11-14.

2009

Co-Organizer (with Jessica Barnes) of a stream of 20 papers and four panels on “Water Worlds I: Water Knowledge and Expertise”, “Water Worlds II: Socio-Technologies of Water Access, Manipulation, and Monitoring”, “Water Worlds III: Circulating Paradigms of Water Management”, and “Water Worlds IV: Hydro-Economics, Models, and Extremes”. The annual meeting of the Society for the Social Studies of Science, Washington, D.C., October 28-November 1.

Organizer of a panel of four papers on “Technoscience, Biopolitics, and Space: Government under Globalization”, the annual meeting of the Society for the Social Studies of Science, Washington, D.C., October 28-November 1.

Presenter, Bioterritorial Power and the border-environment regime of government on the US/Mexico border, presented at the annual meeting of the Society for the Social Studies of Science, Washington, D.C., October 28-November 1.

Discussant for panel on “War by any other Name”, the annual meeting of the Society for the Social Studies of Science, Washington, D.C., October 28-November 1.

Discussant for the panel “Water World II”, the annual meeting of the Society for the Social Studies of Science, Washington, D.C., October 28-November 1.

2007

Presenter. Bio-territorial power and bio-territorial in/securities: Israel during the 1950s. Paper presented at the annual meeting of the Association of American Geographers, San Francisco, CA, April 17-21.

2006

Presenter. Water Security as a Study of Occupation/Regulation of Life in the West Bank and Gaza, presented at a lecture series on Globalization and Human Security at the University of Wisconsin, Madison, 27 September 2006.

Presenter. Against political-economy! A cultural studies perspective on water relations: Palestine, Israel, and systems of domination, paper presented at the annual meeting of the Association of American Geographers.

Organizer, stream of the formal sessions on environmental sociology for the annual meeting of the American Sociological Association.

2004

Co-organizer (with Stuart Schoenfeld), “Palestinian and Israeli Environmental Narratives,” a workshop at York University, Toronto, Canada, December 5-8.

2003

Presenter. Environmental Policy and Politics in the Middle East, presented at the Environmental Studies Program’s Lecture Series at Dartmouth College, January 6, 2003, Hanover, NH.

Presenter. Water and Territory: The Hydrological Construction of the Israeli State, presented at the Association of American Geographers, March 4-8, 2003, New Orleans, LA.

Co-organizer. Stream of panels on race and transnational studies (co-organized with Kavita Philip). Society for the Social Studies of Science, Atlanta, Georgia, October 16-19.

Co-organizer. Planning meeting on the future of race and transnational studies in the field of science and technology studies (co-convener with Kavita Philip). Society for the Social Studies of Science, Atlanta, Georgia, October 16-19.

Presenter. The National Water Carrier and the Making of the Israeli State, presented at the annual meeting of the Society of the History of Technology, Atlanta, Georgia, October 16-19.

2002

Presenter. United States' Water Policy in the Middle East Conflict, presented at the Environmental Studies Lunch Series at Dartmouth College, November 14, 2002, Hanover, NH.

Presenter. Shared Environment? Scientific and Popular Narratives of Environmental Stress, presented at a workshop on Environmental Futures in Palestine and Israel: An Interdisciplinary Investigation into Current and Future Quality of Life at Brown University, June 17-20, 2002, Providence, RI.

Presenter. Rethinking Terrorism, presented at a panel on The Aftermath of September 11 at Cornell University, June 12, 2003, Ithaca, NY.

2001

Presenter. Independence through Underground(water) Movement: Hydro Politics and the Construction of a Palestinian Political Identity, presented at the annual meeting of the Middle East Studies Association, November 17-20, 2001, San Francisco, CA.

Presenter. Economics, Terrorism, and Globalization, presented at a panel on The World Trade Center's Attacks at Cornell University, November 8, 2001, Ithaca, NY.

Presenter. The Jordan River and the Making of a Region: The Politics of Gravity, presented at the annual meeting of the Society for the Social Studies of Science, November 1-4, 2001, Cambridge, MA.

Presenter. Imagining Hydrological Boundaries, Constructing the Nation State: A Fluid History of Israel, 1936-1948, paper presented at the first meeting of the International Water History Association, August 10-12, 2001, Bergen, Norway.

Presenter. Regions are Made of Watersheds: The Jordan River Basin and the Construction of Political Space in the Middle East, presented at the Science Studies Research Group, October 2001, Cornell University, Ithaca, NY.

Presenter. And the River Runs through It: Hydropolitics, Geopolitics, and the Making of the Israeli State, 1948-1956, presented at the Science Studies Research Group, February 2001, Cornell University, Ithaca, NY.

1999

Presenter. The Co-production of Technology and National Identity: Intensive Agriculture and the Making of Jewish Identity in Palestine, presented at the annual meeting of the Society for the History of Technology, October 7-9, 1999.

1998

Presenter. 'States' of Scarcity: Water, Knowledge, and Governing in Israel, 1948-1959," paper presented at the annual meeting of Middle East Studies Association, December 6, 1998, Chicago, IL.

Presenter. From Water Abundance to Water Scarcity: the Emergence of an Israeli Identity, presented at the annual meeting of the Society of Social Studies of Science meeting, October 1998, Halifax, Canada.

Presenter. Water Balance in Palestine, Regional Cooperation, and the Politics of Numbers, presented in a workshop on Water Balances in the Eastern Mediterranean: Potential for International Cooperation, Carleton University, October 1998, Ottawa, Canada.

Presenter. Technologies for Killing at a Distance: the American Public as a Virtual Public, presented at the Peace Studies Program Seminar Series, February 1998, Cornell University, Ithaca, New York..

1997

Presenter. Quantification and the Politics of Erasure: Water and Colonial Power in Palestine, 1918-1938, presented at the Science Studies Research Group, November 1997, Cornell University, Ithaca, NY.

1996

Presenter. Water Policymaking in Israel: Testing the Boundaries of Science and Politics Yet Again, presented at Our Shared Environment Conference, December 1996, Tantour Ecumenical Center, Jerusalem.

Presenter. Politics of Water Scarcity in the Middle East, (Invited Lecture Series, 12/1/96 - 12/8/96). The Arava Institute for Environmental Studies, affiliated with Tel Aviv University.

1995

Presenter. Middle Eastern Identities: Rabin's Assassination and the 'Crisis' in the Constitution of the Israeli Subject, presented at the Workshop on *Rabin's Assassination and the Peace Process*, November 1995, Cornell University, Ithaca, New York.

TEACHING:

PRINCIPAL AREAS OF EXPERTISE:

International development
Water institutions, politics, and policy
Environmental politics, policy, and sociology
Science policy
Social theory
Globalization

EXPERIENCE (courses)

International Development, Environment, and Sustainability (IES 541 and DCES 541)
Water Politics and Policy Under Globalization (IES 900)
Local Water Politics (IES capstone course) (IES 600)
Social Theories of Power (Soc 915)
Social Theories of Border (Soc 915)
Local and Regional Approaches to Environmental Sustainability (IES 806)

ADVISING AND RESEARCH SUPERVISION

Major Advisor:

Ph.D. Major Advisor:

- Aya Hirata (completed, 2006), Assistant Professor, Departments of Sociology and Women's Studies, University of Hawaii.
- Daniel Bornstein (2015-), Sociology and Community and Environmental Sociology

Masters Major Advisor:

- Mary Kate Tillery-Danzer (completed, 2008): Water Resources Management, Nelson Institute for Environmental Studies
- Sigurdur Sigmarsson (completed, 2008): Water Resources Management, Nelson Institute for Environmental Studies
- Sara Locke (completed, 2010): Water Resources Management, Nelson Institute for Environmental Studies
- Kristin McConnell (completed, 2010): Water Resources Program, Nelson Institute for Environmental Studies
- Erin Madden (completed, 2010): Graduate Program of Sociology

Undergraduate Honors Thesis Major Advisor (completed):

- Kate Flick, Sociology and Community and Environmental Sociology
- Marissa Floyd, History

Committee Member:

MS / Ph.D. Committee Member (completed):

- Brian Ulrich (Ph.D.): History. Now Visiting Assistant Professor, Colgate University
- Brent Kaup (Ph.D.): Graduate Program of Sociology. Now Assistant Professor of Sociology, Williams and Mary

- Muwaffaq El Sarhan (Ph.D.): Development Studies Program
- Claire Horsley Taylor (MS): Graduate Program of Sociology. Now a lawyer
- Kat Becker (MS): Graduate Program of Sociology
- David Bylsma (MS): Water Resources Program, Nelson Institute for Environmental Studies
- Marylee Haughwout (MS): Water Resources Program, Nelson Institute for Environmental Studies
- Benjamin Krams (MS): Water Resources Program, Nelson Institute for Environmental Studies
- Crystal Najera (MS): Water Resources Program, Nelson Institute for Environmental Studies
- Travis Scott (MS): Water Resources Program, Nelson Institute for Environmental Studies
- Marisa Trapp (MS): Water Resources Program, Nelson Institute for Environmental Studies
- Elizabeth Woodcock (MS): Water Resources Program, Nelson Institute for Environmental Studies
- Maarja Saar (MS, 2010): Geography
- Leif Brottem (Ph.D.): Geogrphahy
- Bradley Brewster (Ph.D.): Environment and Resources, Nelson Institute for Environmental Studies
- Erin Kitchell (MS., 2013): Geography
- Peter Swift (MS., 2013): Geography
- Vanisha Pierce (MS, 2013): Sociology
- Alice Reznickova (MS): School of Human Ecology
- Ozlem Altioik (Ph.D.): Graduate Program of Sociology

MS / Ph.D. Committee Member (in progress):

- Neslihan Atatimur (Ph.D.): Geography
- Bob Smail (Ph.D.): Geography
- Jason Tatum (Ph.D.): Geography
- Rich Donahue (Ph.D.): Geography
- K. M. McConnell (MS): Water Resources Management, Nelson Institute for Environmental Studies
- Matt Raboin (MS): Environment and Resources, Nelson Institute for Environmental Studies
- Ryan Carr (MS): Water Resources Management, Nelson Institute for Environmental Studies
- Erin Kitchell (PhD): Geography
- Peter Swift (PhD): Geography
- Alice Reznickova (PhD): School of Human Ecology
- Nathan Green, (PhD): Geography

Reader for MS Waivers Requests in the Graduate Program of Sociology

- Chelsea Schelly
- Robert Thomas
- Jessica Longo
- David Calintsky

INTERNAL AND EXTERNAL COMMITTEE WORK

- **Member**, Advisory Committee for the Equity and Diversity Committee, 2013-2017
- **Member**, Scholastic Policies and Actions Committee, College of Agriculture and Life Sciences, 2013-2014
- **Member**, Faculty Search Committee, Environmental History Position, The Nelson Institute for Environmental Studies, Fall 2013
- **Affiliate Faculty Member**, Center for Palestine Studies, Columbia University, 2011-
- **Chair**, Nelson Institute Equity and Diversity Committee, 2010-
- **Member**, Executive Committee, The Nelson Institute for Environmental Studies, 2011-
- **Member**, Sociology and Community and Environmental Sociology Graduate Program's Minority Recruitment and Retention Committee, 2011-
- **Chair**, The Haller Lecture Committee, 2010-
- **Chair**, Scholarship Committee, Community and Environmental Sociology, 2005-2007, 2010-
- **Member**, Zieve Scholarship Committee, 2010-
- **Member**, Havens Center Steering Committee, 2011-
- **Member**, Faculty Search Committee, Environmental Justice Position, 2011-12
- **Chair**, Social Committee, Community and Environmental Sociology, 2003-2005; **member**, 2008-
- **Director** (elected position), Southwest Asia Specialty Group, Association of American Geographers, 2006-9
- **Senator**, Community and Environmental Sociology, 2010-
- **Alternate Senator**, Community and Environmental Sociology, 2007-2009
- **Co-organizer**, Panel on Water Scarcity, Techno-science, and Politics in the Jordan River Watershed, bi-annual meeting of the International Water History Association, Delft, the Netherlands, June 16-19, 2010
- **Co-organizer**, Water World I, II, III, and IV sessions at the annual meeting of the Society for the Social Studies of Science, October 28-Nov 1, 2009
- **Organizer**, American Sociological Association's Formal Session on Environmental Sociology, 2006

- **Founding Member** (2002) of Middle East Environmental Futures (MEEF), a Palestinian, Israeli, Canadian, and US collaborative project for environmental research in Palestine and Israel.

- **Member**, Steering Committee, George L. Mosse/Laurence A. Weinstein Center for Jewish Studies, 2010-
- **Member**, Events Committee, George L. Mosse/Laurence A. Weinstein Center for Jewish Studies, 2011-
- **Member**, Social Committee, Community and Environmental Sociology, 2010-

- **Member**, Space Committee, Community and Environmental Sociology, 2010-
- **Member**, Environment and Resources Program Committee, 2010-
- **Member**, Steering Committee, Center for Culture, History, and Environment (CHE), 2008-2009
- **Member**, Admission Committee, Development Studies Program, 2007-2009
- **Member**, Admission Committee, CHE, 2006-8
- **Member**, Steering Committee, NSF Integrated Graduate Education and Research Training Grant, 2006-
- **Member**, Steering Committee, Certificate for Humans and the Global Environment (CHANGE), 2006-
- **Member**, Admission Committee, CHANGE, 2006-
- **Member**, Curriculum Committee, CHANGE, 2006-
- **Member**, Steering Committee, Holtz Center for Science and Technology Studies, 2006-2009
- **Member**, Steering Committee, Development Studies Program, 2005-2008
- **Member**, Task Force for Accelerating Internationalization, CALS (2004 -2005)
- **Member**, Fulbright Graduate Research Review Committee, 2004-2006
- **Member**, Program Committee, Water Resources Management Program, 2004-2008, 2011-
- **Member**, Admission Committee, Water Resources Management Program, 2005-2007
- **Member**, Undergraduate Major Committee, Nelson Institute for Environmental Studies
